Read the instructions, keep them safe, pass them on if you pass the kettle on.
Remove all packaging before use.

IMPORTANT SAFEGUARDS

Follow basic safety precautions, including:

This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.

Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children unless they are older than 8 and supervised. Keep the appliance and its cord out of reach of children aged less than 8 years.

Don't fill above max, or the kettle may spit boiling water.

Use the kettle only with the stand supplied.

If the cable is damaged, return the kettle, to avoid any hazard.

 The surfaces of the appliance will get hot.

 Don't put the kettle, stand, cable, or plug in liquid.

- Keep the kettle, stand and cable away from the edges of worktops.
- Unplug the stand when not in use.
- Don't use the kettle without fitting the filter.
- Use the kettle only for heating water.
- Don't use it if it's damaged or malfunctions.

HOUSEHOLD USE ONLY

PARTS

- | | |
|----------------------|----------------------------|
| 1. Filter | 5. Rapid boil zones marker |
| 2. Lid | 6. Stand |
| 3. Water level gauge | 7. Light |
| 4. Switch | |

BEFORE FIRST USE

Fill to **max**, boil, discard the water, then rinse. Do this twice to remove any manufacturing dust, etc.

FILLING

1. Remove the lid.
2. Fill with at least 1 cup of water, but not above **max**.
3. If you want only 1, 2, or 3 cups of water, fill to the 1, 2, or 3 marks inside the kettle.
4. Refit the lid.

USING YOUR KETTLE

1. Put the stand on a stable, level surface. Wind excess cable beneath the stand.
2. Plug the stand into the wall socket.
3. Put the kettle on the stand.
4. Move the switch to **I**. The light will come on and the kettle will start to heat.
5. When it boils, the kettle will switch off.
6. To switch off manually, move the switch to **O**, or simply lift the kettle off the stand.

GENERAL

When you lift the kettle, you may see moisture on the stand. Don't worry, it's caused by the steam used to switch off the kettle which is allowed to escape via vents underneath.

BOIL DRY PROTECTION

1. This will shorten the life of the element. A boil-dry cut-out will switch the kettle off.
2. You must then remove the kettle from its stand to reset the cut-out.
3. Sit the kettle on the work surface till it's cold.

CARE AND MAINTENANCE

1. Unplug the stand, and let the kettle cool before cleaning.
2. Wipe all surfaces with a clean damp cloth.
3. Keep the connectors dry.
4. Open the lid.
5. Squeeze the top of the filter to release it from inside the rim of the kettle, then lift it out of the kettle.
6. Rinse the filter under a running tap while brushing with a soft brush.
7. Fit the bottom of the filter into the seam between the floor of the kettle and the wall.
8. Locate the filter in the rear of the spout.
9. Squeeze the top of the filter, then fit it under the rim of the kettle.
10. Close the lid.

Descale regularly, at least monthly

Descale the appliance at least monthly with a proprietary descaler.

Follow the instructions on the package of descaler.

Products returned under guarantee with faults due to scale will incur a repair charge.

ENVIRONMENTAL PROTECTION

To avoid environmental and health problems due to hazardous substances in electrical and electronic goods, appliances marked with this symbol mustn't be disposed of with unsorted municipal waste, but recovered, reused, or recycled.

CUSTOMER SERVICE

If you ring, have the Model Number to hand, as we won't be able to help without it. It's on the rating plate (usually underneath the product). The product isn't user-serviceable. If it isn't working, read the instructions, check the plug fuse and main fuse/circuit breaker. If it's still not working, consult your retailer.

If that doesn't solve the problem, ring Customer Service for advice.

If they tell you to return the product to us, pack it carefully, include a note with your name, address, day phone number, and what's wrong. If under guarantee, say where and when purchased, and include proof of purchase (till receipt). Send it to:

Customer Service, Spectrum Brands (UK) Ltd, Fir Street, Failsworth,
Manchester M35 0HS

email: support@russellhobbs.com

telephone: 0845 658 9700 (local rate number)

GUARANTEE

Defects affecting product functionality appearing within two years of first retail purchase will be corrected by replacement or repair provided the product is used and maintained in accordance with the instructions. Your statutory rights are not affected. Documentation, packaging, and product specifications may change without notice.
